WHEREAS, the property encumbered by this Document Retention, Access, Production and Copying Policy ("Policy") is that property initially restricted by the Declaration of Covenants, Conditions and Restrictions for Reatta Meadows Subdivision, recorded under Volume 6118, Page 180 of the Brazos County Real Property Records, as same has been or may be amended from time to time ("Declaration"), and any other property which has been or may be annexed thereto and made subject to the authority of the Reatta Meadows Homeowners Association, Inc. ("Association"); and

WHEREAS, pursuant to Chapter 209 of the Texas Property Code, the Board of Directors (the "Board") of the Association hereby adopts this Policy for the purposes of identifying the retention periods for the books, records, and/or other documents of the Association and prescribing the costs the Association will charge for the compilation, production and reproduction of information requested under Section 209.005 of the Texas Property Code; and

WHEREAS, the Board has determined that it is in the best interest of the Association to establish this Policy concerning the retention, production and copying of information, books, and records of the Association.

NOW, THEREFORE, BE IT RESOLVED THAT the Association does hereby adopt this Document Retention, Access, Production and Copying Policy, which shall run with the land and be binding on all owners and lots within the subdivision. This Policy shall become effective upon recording of same. After the effective date, this Policy shall replace any previously recorded or implemented policy that addresses the subjects contained herein.

1. ACCESS

The books and records of the Association, including financial records, shall be open to and reasonably available for examination by an owner, or a person designated in writing signed by the owner as the owner's agent, attorney, or certified public accountant. An owner is entitled to obtain from the Association copies of information contained in the books and records. An owner, or the owner's authorized representative, must submit a written request for access or information by certified mail, with sufficient detail describing the books and records requested, to the mailing address of the Association as reflected on the most current management certificate. The request must contain an election either to inspect the books and records before obtaining copies, or to have the Association forward copies of the requested books and records.

An attorney's files and records relating to the Association, excluding invoices requested by an owner under Section 209.008(d) of the Texas Property Code are not records of the Association and are not subject to inspection by the owner, or production in a legal proceeding. If a document in an attorney's files and records relating to the Association would be responsive to a legally authorized request to inspect or copy Association documents, the document shall be produced by using the copy from the attorney's files and records if the Association has not maintained a separate copy of the document. Any document that constitutes attorney work product or that is privileged as an attorney-client privileged communication is not required to be produced.

The Association is not required to release or allow inspection of any books or records that identify the dedicatory instrument violation history of an owner, an owner's personal financial information, including records of payment/nonpayment of amounts due the Association, an owner's contact information other than the owner's address, or information related to an employee of the Association, including personnel files. Information may be released in an aggregate or summary manner that would not identify an individual owner. These records may be made available only with (i) the express written approval of the owner whose records are the subject of the request, or (ii) if a court of competent jurisdiction orders the release of the records.

If inspection is requested, the Association, on or before the tenth (10th) business day shall send written notice of dates during normal business hours that the owner may inspect the requested records to the extent the records are in the possession or control of the Association. The inspection shall take place at a mutually agreed upon time during normal business hours.

If copies are requested, the Association shall produce the requested records for the owner on or before the tenth (10th) business day after the date the Association receives the request except as otherwise provided herein. The Association may produce the requested records in hard copy, electronic, or other format reasonably available to the Association.

If the Association is unable to produce the records on or before the tenth (10th) business day, the Association shall give the owner notice that it is unable to produce the records within ten (10) business days, and state a date by which the information will be sent or made available for inspection, on a date not more than fifteen (15) business days after the date the notice is given.

Notwithstanding anything contained herein to the contrary, all records shall be produced subject to the terms of this Policy as set out below. The Association may require advance payment of estimated costs per its adopted policy.

If the final invoice includes additional amounts due from the owner, the additional amounts, if not reimbursed to the Association before the thirtieth (30th) business day after the date the invoice is sent to the owner, may be added to the owner's account as an assessment. If the estimated costs exceeded the final invoice amount, the owner is entitled to a refund, and the refund shall be issued to the owner not later than the thirtieth (30th) business day after the date the invoice is sent to the owner.
